Dear Charlie,

Congratulations for reaching 10 years of the Golden Horseshoe Marathon. You should be proud of the dedication and courage it has taken you and your team of athletes and volunteers to make this annual event a success. With hard work and great spirit you have raised valuable funds for initiatives that impact individuals with spinal cord injury. The resource centre at the Chedoke Hospital, support of the Canadian Paraplegic Association and funding for research towards a cure for SCI are all incredible legacies that will help countless people for years to come.

Charlie, you are a great example of the difference we can make, no matter our physical ability. I would like to wish you and your team a safe and successful journey as you travel across Canada from Victoria to St. John's. Each of you is an inspiration to all Canadians, proving that when you set your mind to it, anything is possible.

I wish you all the best of luck and look forward to hearing about this year's event!

Sincerely,

Rick Hansen, C.C., O.B.C.
